Dear Andrew

As promised this is your letter of recommendation, I hope you received the email I sent you as proof of payment okay.

To whom it may concern

National Events Caterers (Mr Brogan) has attended Dogs Trust annual Open Day & Fun Dog Show for 2 years running now. We have found him to be a very professional business providing reasonably priced good food at our event. This year in particular was brilliant as Mr Brogan was the sole caterer for the event providing 3 food stands consisting of Gourmet Burgers, freshly made Pizza's and Tai Noodles (we have had a Baguettes stand as well in the past which proved to be very successful). Each stand also provided hot and cold drinks, muffins, nuggets and chips etc.....a very good variety and the food was decent, we have had no complaints. In particular we had several people comment on how nice it was to see the pizza's made freshly in front of them!

At the end of the day National Events Caterers left the pitches they were set up on very clean and tidy, they were polite, a pleasure to work with and we would highly recommend the business.

Yours sincerely
